

ANIMETRICS

A Striking Geometric Sticker Challenge

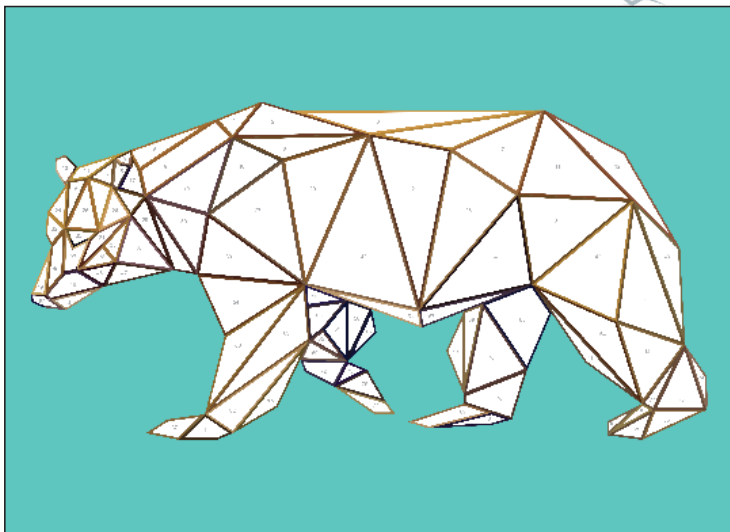

Featuring 12 striking animal portraits to complete, *Animetrics* is an innovative new sticker book with more than 1,400 stickers.

Each picture is made up of geometric shapes containing numbers. The numbered shapes can be filled with corresponding stickers to create intricate, stunning images.

With perforated sticker pages, you can pull them out of the book and easily peel the stickers to create your artwork.

There's a small preview image of each completed picture at the back of the book, just in case you can't wait to see what your design will look like when it's finished.
