## Are We Live? The Funniest Bloopers from TV and Radio

Marion Appleby

### Description

*Are We Live?* is a book about all the things that can and have gone wrong in a broadcasting studio. And, boy, has a lot of stuff gone wrong! Whether it's BBC Radio 4's appropriately-named James Naughtie dropping the c-bomb on the usually prudent *Today* programme, or an *Antiques Roadshow* ceramic expert mistakenly describing a piece of Victoria Regina porcelain as 'Rictoria Vagina', *Are We Live?* takes in the full spectrum of comedy gold captured on film - whether intentional or not!

### Sales Points

- From the team that brought you the bestselling *Universally Challenged: Quiz Contestants Say the Funniest Things* (over 70,000 copies sold to date) comes a rip-roaring collection of broadcasting calamities and TV comic gold
- Covers a range of laugh-out-loud situations, from diva strops and wardrobe malfunctions to the nightmare that is the outside broadcast - the world of TV and radio has never been so funny
