LIKE  
YOUR  
DAD?**

## THE FIRST TEST

'Trying on pants is one of the most humiliating things that a man can suffer that doesn't involve a woman.'

LARRY DAVID

With an ever-burgeoning waistline and an ever-receding hairline one would think it'd be more important than before to be well turned out. The following quiz will determine if your general attire is in desperate need of a makeover before it's too late.
