'Splendid' DAILY EXPRESS

Publication Date: 22/10/2015

Format: Paperback

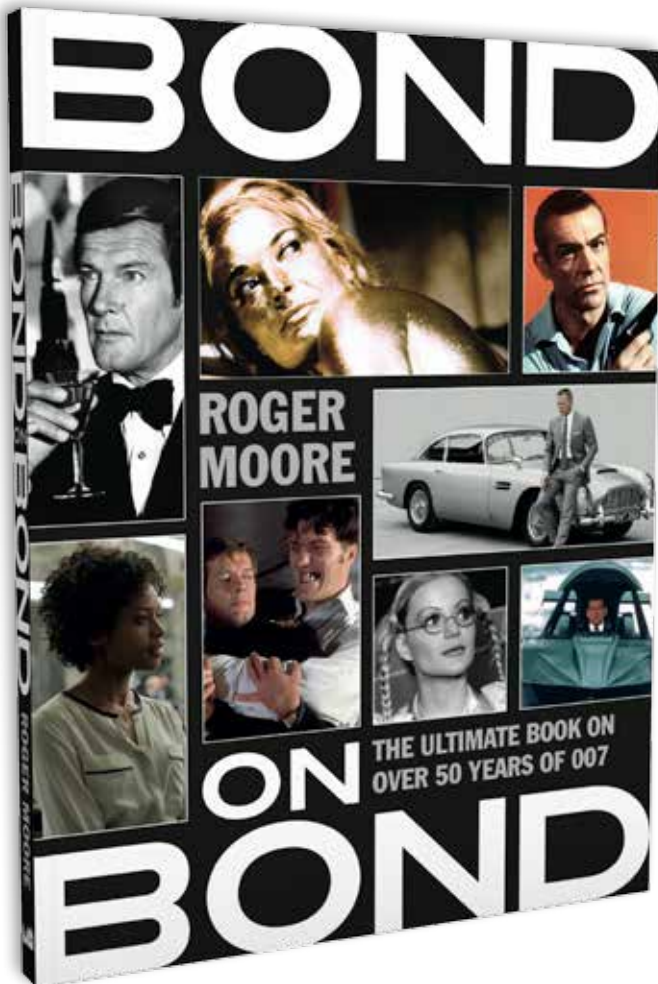

Price: £20.00

While there have been many actors who have taken on the coveted role of James Bond, the most renowned 007 – and the one with the most panache and charisma- is undoubtedly Sir Roger Moore, KBE.

To celebrate the film franchise's wonderful heritage, Roger Moore has written a book that features all the Bond movies, along with a wonderfully witty account of his own involvement in them. From the girls to the villains, from the cars to the cocktails, from the gadgets to the sets, this beautiful book is illustrated with many iconic images from all the films plus many previously unseen shots.

Published to tie in with the release of Bond 24, *Spectre*, this new-look paperback edition is the perfect gift for all fans of this much-loved series.

Sir Roger Moore KBE has had an extraordinary career that has spanned seven decades, from early television to the golden age of Hollywood and on to international superstardom. Dashing, handsome and every inch the archetypal English gentleman, he was unforgettable as James Bond, making seven blockbusting films as arguably the most debonair of the 007s.
