### Author Biography

John Woodcock was born in Surrey and, after working in a large London advertising agency after leaving school, he decided to further his art education by studying for a degree in graphic design at Norwich School of Art. After graduating, John moved back to London to work as a freelance illustrator. John has worked for many UK and international publishers, as well as designers and ad agencies around the world. He lives in Suffolk with his wife, two dogs and a cat and still enjoys the excitement and challenge of being a freelancer.
