Take your pencil for a walk and practise your drawing skills as you learn all about your favourite breeds of dogs.

Be inspired by the artist's unique and playful illustrations to free up your drawing technique, get creative and have fun.

Sales Points

- A twist on classic drawing books, *Doodle a Poodle* is about getting creative and loosening up your drawing style
- Have fun as you draw, colour and learn about over thirty of your favourite breeds of dog
- Either copy, colour or take inspiration from the humorous and quirky illustrations in this charming book
- From the author and publishers of *An Artist Once Said: An Inspiration Book for Artists*

Reviews

- 'It would make a great gift for dog lovers and doodlers alike!' - Of beauty and Nothingness Blog
- 'unlike traditional colouring books, this one encourages creativity rather than just colouring in patterns.' - Of beauty and Nothingness Blog
- 'not only do the titles raise a smile but the colours of the books are so vibrant, cheery and bright. The illustrations are cute, fun, cheery and divine.' - Caledonian Kitty Blog
- 'vibrant, fun and full of beautiful designs on each page to keep you busy, relaxed and cheered up!' - Caledonian Kitty Blog

Author Biography

Hannah Rollings is an award-winning illustrator, graduating with a first-class degree in Illustration from Kingston University and completing an MA in Sequential Design and Illustration at the University of Brighton. Her work experiments with qualities of colour and pattern and she is currently focusing on creating interactive work using stop-frame animation and activity-led work.
