## Drawing Autism

Jill Mullin

### Keynote

*Drawing Autism* celebrates the artistry of individuals with autism spectrum disorder (ASD), while also serving as a window into the world as they see it.

### Description

**A celebration of the extraordinary creations of artists with autism.**

*Drawing Autism* celebrates the artistry of individuals with autism spectrum disorder (ASD), while also acting serving as a window into the world as they see it. Jill Mullin has assembled a staggering array of work from established artists like Gregory L. Blackstock and Jessica Park, and the less known but no less talented. Their creations, coupled with artist interviews, comprise a fascinating and compelling book that will educate and inspire.

Includes a foreword by bestselling author Temple Grandin, PhD, considered one of the most accomplished adults with autism in the world.

### Sales Points

- A wonderful celebration of the artistry and self-expression of individuals diagnosed with autism, with a foreword by bestselling author Temple Grandin
- Full of beautiful, full-colour art that offer a fascinating insight into a unique perspective on the world, including work from a wide range of artists such as Gregory L. Blackstock and Jessica Park, as well as less well-known ones
- Compiled by New York City-based behavioural analyst Jill Mullin as an investigation into the world as seen by those with ASD

### Reviews

- '*Drawing Autism* tells us a powerful story, which not only showcases some brilliant autistic artists but also teaches us more about autism itself.' - *Mark Lever, chief executive of the National Autistic Society*

### Author Biography

Jill Mullin is a New York City-based behaviour analyst who has been working with individuals with ASD since 2000.
