### Description

**Learn to open your mind and unlock your natural abilities to solve all kinds of real-life conundrums with this programme designed to improve your lateral thinking, from bestselling brain-training and puzzle book author Gareth Moore.**

Sideways thinking; moving away from traditional modes of thought; discarding the obvious: lateral thinking is an effective, alternative approach to problem-solving.

Showing you how to tackle problems creatively and solve brain-teasers by thinking outside the box, *Lateral Logic* will help you develop useful problem-solving skills for all areas of your everyday life.

This is not a regular puzzle book, but a specially developed programme to help you improve your mental agility as you enjoy the challenging puzzles.

With 90 puzzles, including creative visualization, logic teasers and fill-in-the-blanks, providing handy hints along the way, this helpful book will help you to open your mind and become more productive.

### Sales Points

- Lateral thinking is a popular concept of approaching problems using your imagination and creativity, and 'thinking outside the box'
- Includes 90 puzzles and tasks to improve your ability to tackle real-life puzzles
- This programme has been developed by Dr Gareth Moore for you to work through from start to finish
- From the author and publishers of *Anti-Stress Puzzles*, *Clever Commuter* and *Fast Brain Workouts*
