

More About Me!

Follow the line of footprints and fill in the most special events of your life so far. These might include your first steps, your earliest memory, your first party dress, your first day at school or prizes you have won. Label each event and write the date that each one happened. Doodle a picture or glue in a photograph to show each event. The first one has been done for you.

The form consists of a winding path of footprints in various colors: pink, orange, yellow, green, purple, and blue. Along this path are ten circular event cards. Each card has a dotted border and two labels: 'Event:' and 'Date:'. The first card is pre-filled with the text 'I was born' and a simple line drawing of a baby's face. The other nine cards are blank, intended for the user to write their own special events and dates. The cards vary in size, with the largest ones at the top and bottom right, and the smallest ones in the middle.
