

I WANT TO DRAW
EVERYDAY AND PROMOTE
DRAWING FOR ALL -

We all want a good life, to have fun, to be safe and happy
and fulfilled.

For this to happen we need to look after each other.

In this book there are sixteen different freedoms that
help look after us. They are truly wonderful, precious things.

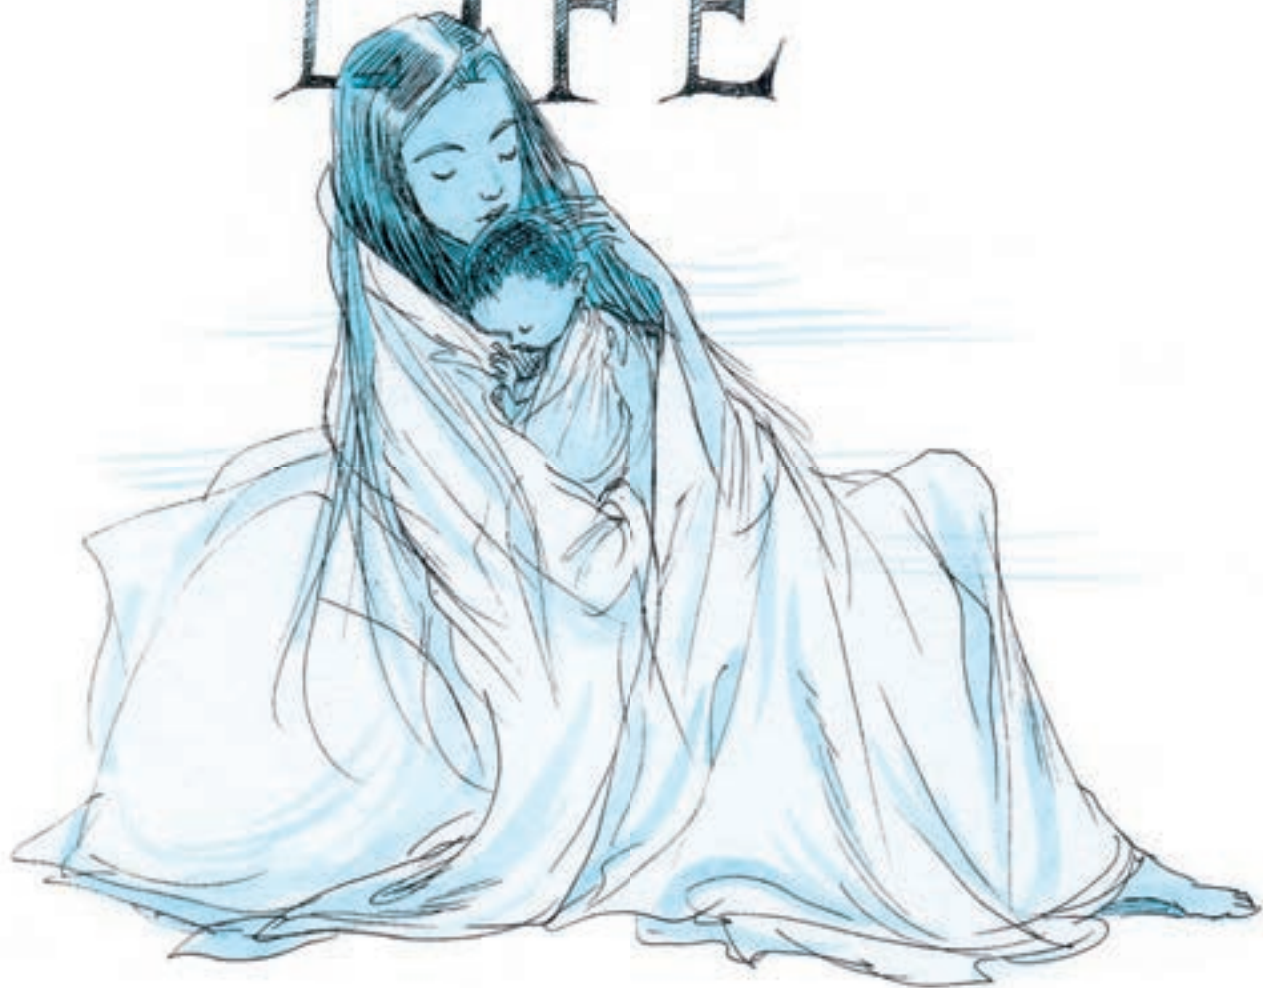

These freedoms were created to protect us, forever.

We need to stand up for them and look after them
just as they look after us.

I've drawn some pictures for you. Each of them shows one
of our freedoms. I hope you like them.

Chris Riddell.

LIFE

We all have the right to life.

Nobody has the right to
hurt or torture us.

Nobody has the right to
make us a slave - We cannot
make anyone else a slave
or force them to work for us.

We have the right to live
with our family and live our
lives in the way we choose.
The government shouldn't
spy on us.

We all have the right to
think or believe in whatever
we like, to have a religion
and to show it.
