Tangle Therapy

Keynote

Tangle Therapy is designed to inspire creativity by featuring a stunning intricate image on one page and a matching, incomplete 'tangle' to finish by doodling on the adjacent page.

Description

Relax and unwind with this gorgeous new drawing and colouring book.

It is designed to inspire creativity by featuring a stunning intricate image on one page and a matching, incomplete 'tangle' to finish by doodling on the adjacent page.

Featuring a cover with two foil treatments, *Tangle Therapy* will create a state of calm through doodling.

Sales Points

- Features a stunning intricate image on one page, and a matching, incomplete 'tangle' to finish by doodling on the adjacent page
- Colour, doodle and draw your stress away
- Cover features two foil treatments
