The 25 Rules of Grammar The Essential Guide to Good English

Joseph Piercy

Keynote

Joseph Piercy outlines *The 25 Rules of Grammar* that should be adhered to in written and spoken English, defining the rules themselves and then decoding them for the layman.

Description

Everything you need to know about the 25 essential rules of English grammar.

English grammar is often said to be over-complicated and difficult to get to grips with but the truth is that, while there are certain rules that should be obeyed, the language evolves and develops over time – and quite rightly so.

In this useful book, Joseph Piercy outlines the 25 rules that should be adhered to in written and spoken English, defining the rules themselves and then decoding them for the layman so that he or she understands each rule and how it has been used and developed over time.

Here the author highlights the most common misuses – or plain errors – in the language, such as apostrophes, 'who' and 'whom', and avoiding split infinitives and double negatives, while also setting the reader on to the right path to speaking and writing in good, plain English.

Sales Points

- English grammar is a minefield for the unwary but with this wonderfully straightforward yet information-packed book you can find your way around all the pitfalls
- There are 25 rules of English grammar that we should all be aware of. Don't worry about the books chock-full of adverbs, pronouns and prepositions: all you need to know are the rules outlined here, which will make your written and spoken English second to none
- Also includes tests and questionnaires that will allow the reader to see the rules in action and to better understand how they relate to modern English

Author Biography

Joseph Piercy is a freelance writer. He holds a Master of Philosophy degree in English Studies and is a regular contributor to various magazines and journals. He is the author of *The 25 Rules of Grammar*, also published by Michael O'Mara Books Limited. He lives in Brighton with his wife and daughter.
