

The Typography Colouring Book Creative Colouring for Grown-ups

Description

Relax, unwind and be inspired as you colour in the elegant, edgy and unique type designs in this stylish collection.

Many people argue that well-crafted lettering can be as beautiful as a painted picture or sculpture – and they're right!

There is so much more to typography than the font you select for your email. Type is art, it is the creative expression of your inner voice, and when combined with colour it can create works with infinite potential to inspire and invigorate.

With this unique colouring book you can relax your mind and unwind while revelling in the extraordinary diversity that typographic art has to offer.

It's time to take up your pens, pencils, paints and crayons and start creating!
