

# MICHAEL O'MARA BOOKS CATALOGUE JULY – DECEMBER 2023

Michael O'Mara Books is a proudly independent publisher based in London. For over 30 years we have been cultivating a reputation that is nimble, strategic, and passionate, proving ourselves to be a powerful commercial force in publishing worldwide. We are dependent on the curiosity and creativity of our authors, illustrators, and employees to deliver an inspiring, trend-led list of titles that engages a broad readership. Across our three imprints, we uphold a commitment to sustainability, trying to be as green as possible in our publishing processes and working closely with charities that share our values.

At **Michael O'Mara Books** we specialize in creative and inspired adult non-fiction with authors ranging from Andrew Morton and Emma Mitchell to Marcus Chown and Simon Waterson. We are passionate about our books and publish an exciting and varied list – from history and popular science to language; sport and biography to puzzles; gift and humour to craft – that reaches readers across the world.

**LOM ART** is dedicated to showcasing the most talented and creative artists. Our beautiful and contemporary artist-led books will unleash creativity in people of all ages across various disciplines. From Kerby Rosanes' quirky colouring books to gorgeously illustrated gift books, the list exhibits what's hot in the worlds of art and culture.

Our award-winning children's imprint **Buster Books** provides engaging books for curious and creative young minds. Our list is home to out-of-this-world authors like Dr Maggie Aderin-Pocock, Mike Barfield and Gareth Moore and is brimming with titles to spark imagination and encourage exploration. The books will satisfy the keenest of puzzle masters, budding artists and the deepest of thinkers. Above all, they are to be enjoyed!

**Buster Books** is also the leading UK publisher of interactive LEGO® activity books through our partnership with Ameet Publishing. LEGO® has been recognized as the number one globally trusted brand by both adults and children and was recently named as the second biggest brand in the world, following Netflix.

Last but not least, Michael O'Mara Books also distributes books by the small but mighty independent children's fiction publisher Guppy Books. Set up in 2019 by award-winning publisher Bella Pearson, Guppy produces an eclectic, diverse and entertaining list of books for children from the age of five to eighteen.

Publication date: 28/09/23

Our increasing reliance on digital technology has had a profound impact on our own abilities as humans. What can we do about it?

In *Human Being*, digital skills educator Graham Lee journeys through science and history to identify twelve vital skills we used to call upon as a species – from navigation, conversation and memory to craft, solitude and sleep – and how we can work to reclaim them from technology. Each chapter highlights an example of when these key capabilities were at their peak, demonstrates how in a vanishingly short space of time we have embraced ways to undermine them, and provides clear, achievable guidance on how we can reverse these losses and regain our essential, human qualities.

## THE MAGICAL UNICORN SOCIETY: BABY UNICORNS

WRITTEN BY ANNE MARIE RYAN  
ILLUSTRATED BY OLGA BAUMERT AND KRISTINA KISTER

ISBN: 9781789294811  
230×170mm • 128pp  
Full colour • Hardback  
World • £14.99 • Fiction  
Publication date: 28/09/23

The Magical Unicorn Society is opening its doors once again to reveal eight brand-new stories about the world's most magical and elusive creatures. This time, the stories reveal the little-known facts about young unicorns, which are notoriously secretive and difficult to study.

This beautifully illustrated compendium brings together tales of rare encounters with young unicorns from each of the eight unicorn families, exploring their relationships with other young animals, the development of their magical powers and their favourite foods. Discover how a Mountain Jewel unicorn creates a lifelong bond with a wild panda cub and a young man, and follow the Water Moons as they help a young girl and a baby dolphin save their island from a sea monster.

The book also features an introduction by Selwyn E. Phipps, President of the MUS, and researcher Valentina Luz.
