MICHAEL O'MARA BOOKS

CATALOGUE JAN – JUN 2027

Michael O'Mara Books is a proudly independent publisher based in London. Publishing for over 40 years, we produce 150 new books a year and manage a core list of over a thousand titles.

Still a family firm, we have a reputation for being nimble, passionate and trend-led, proving ourselves to be a powerful commercial force in publishing worldwide. We are dependent on the curiosity and creativity of our authors, illustrators and our team to deliver an inspiring list of titles that engages a broad readership. We are committed to implementing as many environmentally-friendly practices as possible in our processes and work closely with many charities that share our values.

At **Michael O'Mara Books** we specialise in adult non-fiction, with authors ranging from royal biographer Andrew Morton to space scientist Maggie Aderin. We are passionate about our varied and exciting list – history, memoir, popular culture, sport, puzzles, gift, humour, cookery and many more – that reaches readers across the world.

Our award-winning children's imprint **Buster Books** is home to out-of-this-world authors like Mike Barfield and Sherlock Bones author Tim Collins, plus the bestselling *Clever Kids* series. Always brimming with titles to spark imagination and encourage exploration, our quirky books satisfy the keenest of puzzle masters, budding artists and the deepest of thinkers – always with the child in mind.

We are also the leading UK publisher of interactive LEGO® activity books through our partnership with Ameet Publishing. LEGO® has been recognised as the number one trusted brand by both adults and children.

LOM ART is dedicated to unleashing creativity in people of all ages across various disciplines, from Kerby Rosanes' mythical colouring books to richly illustrated gift books.

A Short History of the World in 50 Conspiracies

DR JACOB F. FIELD

Explore the conspiracies, clandestine operations and coups that have shaped the course of history. This is history ... but not as you know it.

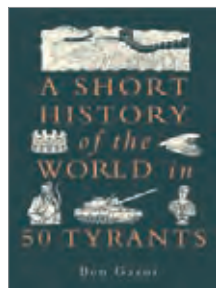

Behind the great events, figures and developments of the past, there have always been fiendish plots and covert operations. Leading readers through a truly worldwide history, Jacob F. Field examines how conspiracies have shaped the course of humanity. In 50 bite-sized chapters spanning 2,500 years, *A Short History of the World in 50 Conspiracies* details bloody revolts, gruesome assassinations and devious espionage to give a new perspective on the past. Historical hoaxes, political cover-ups and secret societies are all explored to reveal unsolved mysteries of the past.

Poems to Read to Your Cat

JOSEPH PIERCY

A charming anthology celebrating cats as seen through the eyes of some of the world's greatest poets.

From pampered Victorian pets to mischievous kittens, this cat poetry anthology gathers 75 poems that capture feline behaviour with all its elegance, pride, grace and inscrutability. Spanning centuries of poetry, from Renaissance rhymes and Romantic meditations to English Victorian nonsense verse, the poems in this feline-themed gift book reveal that while human history may change, cats do not. They sleep, they judge, they disappear precisely when needed most – and they inspire remarkable devotion in the people who live with them.
