## Explore

### How to explore everything, everywhere

Anita Ganeri (Illustrated By Dusan Pavlic)

#### Keynote

*Explore* contains everything you will ever need to know to survive and thrive when traveling the four corners of the globe – from the ice caps of the poles to the dusty dunes of the Sahara.

#### Description

*Explore* contains everything you will ever need to know to survive and thrive when traveling the four corners of the globe – from the ice caps of the poles to the dusty dunes of the Sahara.

Kids can find out everything from: how to survive going over the Niagara Falls; how to paddle up the Zambezi; how to make a snow hole at the north pole; how to land a seaplane on lake Titicaca; how to find the source of the Nile; how to spot terrible tropical diseases, and much more. It is the perfect book for adventurous kids.

This book is part of the 'Buster Know-How' series, a collection of books that teaches adventurous and imaginative kids everything they will ever need to know about getting by in this wide, whacky world.
