Jungle Pops 3D Models to Colour

Natasha Durley

Keynote

Beautifully illustrated by emerging talent Natasha Durley, children can bring the jungle to life with this collection of beautiful press-out animal models to create. Colouring them in is a fun extra!

Description

Beautifully illustrated by emerging talent Natasha Durley, children can bring the jungle to life with this collection of beautiful press-out animal models to create. Colouring them in is a fun extra!

Each simple design is reversible, with a fully coloured animal on one side. On the reverse, the same design is repeated in black line for children to colour. From a mighty lion to a striking tiger, and a characterful orangutan to a colourful giraffe, there's a whole host of characters to discover. Fun facts accompany each animal.

The book also features two background scenes to display the completed models against.

Model list:

Leopard
Giraffe
Gorilla
Tiger
Rhinoceros
Zebra
Giant Anteater
Elephant
Lion
Orangutan
Toucan
Hippopotamus

Sales Points

- Bold and characterful artwork from new talent Natasha Durley
- Sturdy, card models that feature 12 animals
- Simple, reversible model design
- Fun facts for children (aged 5 and over) to discover
- Other titles from Natasha Durley include *Creature Features* (Big Picture Press)

Author Biography

Natasha is a freelance illustrator based on the sunny south coast of England. She enjoys creating playful illustrations with an emphasis on colour, texture and the natural world. Her work has been used for a wide range of projects including advertising, marketing, editorial and surface pattern design.
