How to use this book

Simply pick a puzzle and follow the instruction on the left-hand page. Whether you're finding an odd one out, matching pairs or spotting specific emoticons, there's plenty to keep your brain bamboozled on every page, along with fun facts to keep you entertained. If you get stuck, all the answers are at the back of the book.

Spot the odd one out.

When it drizzles on a sunny day in Hawaii, locals call it 'pineapple juice'.

Which unicorn is the smallest?

The first known depiction of a unicorn was found in the Lascaux Caves in modern-day France. It is estimated to be up to 20,000 years old.

Spot the odd one out.

Mesopotamian nobles built ice houses along the Euphrates River at least 4,000 years ago, so they could have iced desserts on hand. But ice lollies and ice pops are barely 100 years old.

Spot the odd
one out.

There are 200 seeds on an average
strawberry, and they are the only fruit
to wear their seeds on the outside.
