## Doodle While You Work

**Staffan Gnosspelius**

### Description

Everyone loves to doodle, whether they mean to or not. When you're on the phone, in a meeting or just on your lunch break. *Doodle While You Work* helps you to vent this creativity with over 200 inspirational starting points to get your creative juices flowing. For those that would prefer an artistic alternative to Sudoku during their tea break - *Doodle While You Work* is ideal. Give your doodles some direction and save your work from being covered in unsightly scrawls by completing the unfinished work-themed doodles in the book. Including:

- Complete the muffin-mountain
- Design the new office chair
- Fill the elevator with penguins
- What are the penguins looking at?

Let your creative instincts run riot and *Doodle While You Work*.

### Sales Points

- A doodle book especially for grown ups with too much time on their hands
- Containing over 200 incomplete doodles to provide inspiration and wile away the hours at your desk
- A fantastic mix of humorous captions and bizarre ideas to stimulate the imagination
- No drawing skills required, this is the perfect creative alternative to Sudoku

### Reviews

- 'From 'draw your favourite lunch' or 'design different tie patterns for the whole week', it's a lot of fun!' - *Best Magazine*

### Author Biography

Staffan Gnosspelius is an artist, illustrator and print maker. Originally from Lund in Sweden he is now based in London and has written and illustrated books for children and adults, including *The Snot Book*. He is also an avid doodler.

Michael O'Mara Books.
