Grandfather's Wisdom

Good, old-fashioned advice handed down through the ages

Barry Robb

Description

There's nothing quite like the wise words that only grandfathers can deliver, and their wealth of experience means that there is no problem they don't have a solution for; whether it is advice on how best to shine your shoes, how to win at cards, or just a bit of basic good sense, grandfathers never let you down. *Grandfather's Wisdom* is a fantastic treasure trove that contains such homespun wisdom as: tips for household and outdoor maintenance (including how to clean windows properly and how to maintain your shed), how to maintain your personal appearance from polishing your shoes to the dos and don'ts of facial hair, timeless tips for classic hobbies, from 'old-fashioned' games, like boules, and card games to fishing, hiking and drawing. Harking back to a life of traditional values and basic good sense, *Grandfather's Wisdom* is more relevant and useful than ever.

Sales Points

- Grandfathers always know best and now *Grandfather's Wisdom* pulls together generations of collected wisdom into one handy and attractive package
- Contains Grandad's timeless knowledge and understanding, along with practical advice and fun suggestions
- Beautifully presented in a nostalgic, embossed cloth-effect cover

Reviews

- 'A fascinating back-to-basics handbook to help younger generations around the home, garden and at work' - *The Sun*
