Out of the Mouths of Babes... Children say the funniest things

Shelley Klein

Description

You have to hand it to children. They do have a wonderfully straightforward view of the world, and a way with words that manages to make day-to-day life much more fun. In *Out of the Mouths of Babes* you'll find a fantastic selection of the side-splitting bloopers, hiccups, innocent misunderstandings and downright funny things that kids have come out with. **For example:** • **Kids on love:** 'If falling in love is anything like learning how to spell, I don't want to do it. It takes too long.' • **Kids on music:** 'Handel was half German, half Italian and half English.' • **Kids on religion:** 'St Paul cavorted to Christianity.' *Out of the Mouths of Babes* is a charming celebration of the unique, quirky - and usually entirely unintentional - humour of children everywhere, for adults who enjoy seeing the funnier side of life.
