Author Biography

Philippines-based illustrator Kerby Rosanes is steadily building his reputation with his unique style of intricate drawings. Working mainly with ordinary black pens, Kerby's art is characterized by whimsical lines, patterns and doodle creatures which are combined to create massive compositions.

He recently left his job as a graphic designer in a local company to finally pursue his passion: creating more art for personal projects and for various clients, and collaborating with other artists and design agencies around the world.

Kerby's colouring and doodling books, *Animorphia*, *Imagimorphia*, *Mythomorphia*, *Fantomorphia* and *Geomorphia* published by LOM ART (Michael O'Mara Books), have been hugely successful.
