Welcome to this creative colouring adventure!

Delve into my high-definition, super-detailed doodle world, where strange creatures morph and meld into amazing animals and beguiling beasts.

Each detailed drawing has been crafted with fineliner pens and can be coloured in any way you like. There are also doodle pages that you can complete, customise and embellish in black line.

Keep your eyes peeled for unusual objects scattered throughout the pages. You'll find a list of hidden treasures that you need to search for at the back of the book (along with all of the answers).
