

THE WHITE CAT

American superstition says that it is bad luck to see a white cat at night, but that dreaming of a white cat brings good luck.

If a white cat comes to your house it will bring with it good luck, provided that it stays.

CAT TROUBLE

Apparently, through scientific research, it has been determined that a cat's affection gland is stimulated by snoring, thus explaining my cat's uncontrollable urge to rub against my face at 2 A.M. — TERRI L. HANEY

Cats can be very funny, and have the oddest ways of showing they're glad to see you. Rudimace always peed in our shoes.

A cat will wait until you've read your morning paper before tearing it to shreds. — ANONYMOUS

You must set down all the rules to your cat at the beginning of your relationship. You cannot add rules as you go along. Once these rules are set, you must never, under any circumstances, break any of them. Dare to break a rule, and you will never live it down. Trust me. — KATHY YOUNG
