# Glorious Gardens

Creative Colouring  
for Grown-ups

From the publishers of the *Art Therapy* series, comes *Glorious Gardens* - now in a new small, flexiback format!

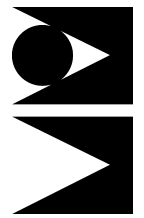

Filled with over one hundred pages of stunning illustrations, be inspired by the beauty and vibrancy of Mother Nature. Brimming with flowers, gardens, patterns and shapes, completing *Glorious Gardens* makes for the perfect way to unwind or de-stress after a long day at work.

The ideal size for handbags and rucksacks, let your creative side roam free while you commute. Colour wherever you are!

'This is no ordinary colouring book... a great find'.
