

History: A Map Colouring Book A World of History to Colour

Charlotte Farmer (Illustrated By Charlotte Farmer)

Keynote

In *History: A Map Colouring Book* children can colour their way through time and learn about the historical facts as they go.

Description

Children can colour their way through time with this new history of the world colouring book.

These bright and brilliant maps feature illustrations of everything from famous battles to fantastic inventions and amazing architecture to world leaders.

Children can colour in the pictures and learn as they go from the bite-size historical facts accompanying each picture. The last page of the book features a timeline of some of the best bits of history.

This book is the third book in our Map Colouring series, with a brand new illustrator and look.

Author Biography

Charlotte Farmer graduated from Central St Martins in 2006 with an MA in Communication Design and has been working freelance ever since - drawing, writing and also designing catalogues for a variety of clients.

Charlotte's work combines low tech printing methods, small intense detail, contrasted with mistakes, imperfections and gestural mark making - which accounts for the vast arsenal of super fine pens and fat brushes coated in crusty paint that are lurking in the cupboard under her sink.
