I Used to Know That History

Emma Marriott

Description

If your response to a mention of the Wars of the Roses, the Sumerians or the Reformation is, 'Hmm, I've heard of that – what was that again?', then this is the book for you.

This entertaining yet informative book travels back through time to fill in those embarrassing gaps in your knowledge, from the invasions of Britain, the Renaissance and the Cold War, to the American, French and Russian Revolutions, the World Wars ... and everything else you have forgotten from your school history lessons.

In *I Used to Know That: History*, information is broken down into manageable, bite-sized chunks, refreshing your memory of all those things you once knew but have forgotten, and filling you in on the bits that the school syllabus didn't include. From building the pyramids in Egypt to the fall of the Berlin Wall, everything you used to know – and much that you didn't – is here.
