Prince of Dorkness Diary of a Wimpy Vampire

Tim Collins

Description

Nigel Mullet, the unfortunate and bungling fifteen-year-old vampire, is back! But this time he not only has to deal with his daily trials of bad skin, an annoying little sister, and the worry of his fangs popping out at inopportune moments. Now he's got real problems to get his teeth into. In his latest hilarious diary, Nigel starts the new term as one of the most popular pupils in school, and he's finally got a girlfriend after more than eighty years of being single. But his life soon unravels when a new pupil, Jason, joins the school, and has his sights set firmly on Nigel's girlfriend. Oh, and did we mention that Jason is a werewolf? Vampire and werewolf go head to head in the pursuit of love . . . with hilarious consequences!
