

small BLUE WORLD

LITTLE PEOPLE. BIG ADVENTURES

Jason Isley

Jason Isley is co-founder of Scubazoo, Southeast Asia's leading underwater-filming and photography company. The team has a wealth of underwater-imaging experience – they have worked on a broad spectrum of different projects, including filming and location management for productions filmed in Malaysia, Indonesia, Philippines, Tonga, South Africa, US, Canada, Thailand, Mozambique and more, for broadcast on channels such as the BBC, Sky, National Geographic (One Life was awarded an Emmy for Outstanding Cinematography and Malaysia from Below won Best Natural History or Wildlife Programme at the 2013 Asian Television Awards), Discovery (Human Planet won an Emmy for Outstanding Cinematography), Animal Planet, CNN and ITV. They have worked with David Attenborough, Stephen Fry and Bear Grylls amongst others.

Publication date: 28th April 2016

Format: Hardback, Michael O'Mara Books

Price: £12.99

A stunning and quirky collection of underwater photography, with miniature figures posing in an inventive aquatic world.

Created by world-renowned underwater photographers, this gorgeous book takes an alternative look at mankind's journey by using models of miniature people placed in beautiful and humorous situations undersea.

Providing an alternative perspective on life, *Small Blue World* is a clever and thought-provoking collection of impressive imagery that tackles some of the wider ecological issues facing our oceans. Ultimately, it poses the question: how can humans and nature exist in harmony?

Playful, perceptive and visually striking, this impressive and often humorous book uses photography and the power of the imagination to entertain, inspire and offer a different outlook on our lives.

An incredible book featuring photographs of miniature figures living an underwater life in the future

- Scubazoo are an award-winning underwater filming and photography company who have worked on projects for the BBC, Sky, National Geographic, Discovery and CNN, working with David Attenborough, Stephen Fry and Bear Grylls among others
- Follow these little people on their big adventures in a beautifully-captured underwater world
