Sticker Studio Creative Sticker Art to Complete

Joanna Webster

Keynote

Sticker Studio encourages creativity, allowing readers to complete detailed patterns and designs with sticker shapes.

Description

A fun and innovative new addition to our sticker series, *Sticker Studio* encourages creativity, allowing kids to complete detailed patterns and designs with sticker shapes.

With more than 7,000 stickers, readers can complete the pages in their own stunning shades of colour, or use the numbered grids to create works of art.

From Mexican sugar skulls and Aztec patterns to vibrant mosaics and vivid animals, there are more than 40 designs to complete.

Sales Points

- An innovative new addition to our sticker series, *Sticker Studio* encourages creativity, allowing readers to complete detailed patterns and designs with sticker shapes
- The simple sticker-by-numbers system means there are no complicated step-by-step instructions and no need for expensive art and craft supplies
- Readers can complete the pages in their own stunning shades of colour, or use the numbered grids to create works of art as they embellish the gorgeous pages of this book with more than 7,000 stickers
- From Mexican sugar skulls and Aztec patterns to vibrant mosaics and vivid animals, there are more than 40 designs to complete

Author Biography

Joanna Webster is a British illustrator and designer. In her work she explores geometry, pattern making and paper craft. She has worked on a range of colouring, sticker and activity books.
