Name	Reason

WRITTEN IN THE STARS

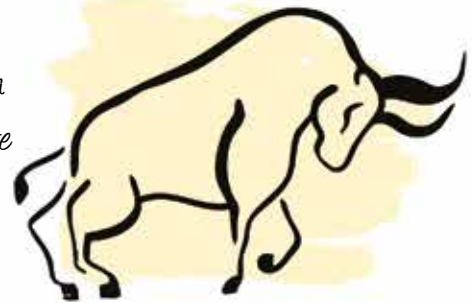

aries

Confident and enthusiastic, you throw yourself into every opportunity and love to socialize. You can be impatient, but that is only because you're always on the lookout for the next big thing.

TAURUS

You are patient and reliable, which makes you a great friend. Sometimes you can be overprotective of your loved ones, but this is only because you really care about them.

GEMINI

You are gentle, affectionate and always curious. Sometimes you might be indecisive, but only because you want to experience everything and can't decide what to do first.
