# THE EXECUTIVE

MAKE MY LIFE LESS GREY

*Executives are important. They go to important offices and do important things. I am an executive.*

Michael O'Mara Books | 13th April 2017 | £6.99 | Hardback

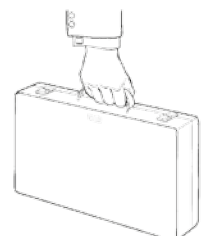

A *New York Times* bestseller when it was originally published in 1961, *The Executive* is the original adult colouring book.

Following the popularity of Ladybird's 'How To' series, this is a parody of executive culture which pokes fun at the conformism that dominated the 1960s corporate workplace. What *Mad Men* glamourises, *The Executive* satirises- inviting everybody in on the joke.
