

## The Ultimate Creative Activity Book

### Extreme puzzle challenges to complete

#### Keynote

From extreme dot-to-dots to eye-watering mazes, crazy colour-by-numbers and much more, the creative activities found in this book will keep all puzzlers entertained for hours.

#### Description

**From extreme dot-to-dots to eye-watering mazes, crazy colour-by-numbers and much more, the creative activities found in this book will keep all puzzlers entertained for hours.**

Enjoy the intricate and colourful designs of Colour Quest and Colourtronic; reveal the hidden pleasures of the madly complex dot-to-dots as each object, scene or animal gradually comes to life; explore your own creativity as you shade the complex colouring patterns. In this book there is truly something for everyone to enjoy.

Along with the challenges, you'll find that taking time for yourself with these stimulating activities has its own therapeutic benefits. Recharging your batteries and focusing on something completely different can often help put the stresses of your day into better perspective.
