Vintage Patterns Creative Colouring for Grown-ups

Description

For fans of the elegant vintage style, *Vintage Patterns: Creative Colouring for Grown-ups* captures a day long past, when art and design were in a truly golden age. This is reflected in over 100 pages of design heaven for you to colour in and complete, allowing the artist in you to put a personal spin on the glamour of yesteryear. Appreciators of design, especially of this era, will enjoy adding even more vibrancy and colour to these timeless illustrations. A perfect way to relax and immerse yourself in great art.

Sales Points

- A gorgeous array of classic patterns for you to personalise and make your own
- Hark back to glamorous days past with 128 pages of patterns that capture the vintage style perfectly
