Where's the Meerkat?

Paul Moran

Over the past year we have seen the humble, inquisitive meerkat take over the world, and in *Where's the Meerkat?* that is literally the case. A family of meerkats are making a round-the-world trip, visiting some of the world's most famous and popular places and your task is to spot them in the crowd. Each page is intricately illustrated in full colour with a checklist of items and people to spot along with the meerkats. This is the perfect quirky gift for the meerkat-mad member of your family.
